

**NON-SELECTIVE
HERBICIDE**

AUREO® 250

**PRE AND POST EMERGENT CONTROL OF VARIOUS ANNUAL
AND PERENNIAL WEEDS IN NON-CROP SITUATIONS**

PRODUCT OVERVIEW

- Albaugh AUREO® 250 Herbicide is an aqueous solution of herbicide which will kill a range of standing weeds and emerging seedlings. It stops growth rapidly, although symptoms may take over 30 days to develop. Affected plants are discoloured and often growth is distorted. The active material in AUREO® 250 is rapidly absorbed through foliage and roots, and translocated throughout plants. Foliage treatments will provide pre-emergence control as the active material is released to the soil following plant decay. Residual control of weeds, for which the lower rate of AUREO® 250 is recommended, will increase when the higher rate is used.
- Application: Faster control of standing weeds will result if growing conditions are favourable at and after application. Rainfall within two hours of the spray mixture drying on leaves may result in reduced weed control.
- AUREO® 250 is a member of the imidazolinone group of herbicides. AUREO® 250 has the inhibition of acetolactate synthase (ALS) mode of action.

KEY WEEDS CONTROLLED OR SUPPRESSED

- | | | |
|----------------------|--|--|
| Barnyard grass | Round-leaved mallow | Volunteer sprint wheat (non-imazamox tolerant wheat) |
| Cleavers | Russian thistle | Volunteer tame oats |
| Cow cockle | Shepherd's purse | Wild buckwheat |
| Green foxtail | Stinkweed | Wild mustard |
| Green smartweed | Volunteer barley | Wild oats |
| Japanese brome grass | Volunteer canary seed | Yellow foxtail |
| Lamb's-quarters | Volunteer canola (non-imazamox tolerant canola only) | |
| Persian darnel | Volunteer durum wheat | |
| Redroot pigweed | | |

See label for complete application guidelines and restrictions.

ACTIVE INGREDIENT

250 g/L Imazapyr present as the Isopropylamine Salt

H.R.A.C. GROUP

GROUP 2 HERBICIDE

FORMULATION

Soluble Concentrate

COMPARE TO

Various

MODE OF ACTION

ALS Inhibitor

SIGNAL HEADING

KEEP OUT OF REACH OF CHILDREN
