

DILIGENT[®] 720 WP

A BROAD-SPECTRUM FUNGICIDE FOR THE CONTROL OF HEART ROT IN PINEAPPLE AND LATE BLIGHT IN TOMATO AND POTATO CROPS.

PRODUCT FEATURES

- Diligent[®] 720 WP combines Metalaxyl that is specific against oomycete pathogens, with Mancozeb, a broad-spectrum fungicide.
- Diligent[®] 720 WP is specifically suited for preventive treatment due to the systemic action of Metalaxyl.

Key Crops	Application Dosage
Pineapple: Heart rot	10-14 kg/ha
