

AZOXYSTROBIN 100 ST TREATED SEED

*This seed has been treated with:
Azoxystrobin fungicide (EPA Reg. No. 42750-284)*

lb AI/100 lb Seed	mg AI per seed	Active Ingredient
_____	OR	Azoxystrobin

CAUTION

DO NOT USE FOR FEED, FOOD, OR OIL PURPOSE.
DO NOT allow children, pets, or livestock to have access to treated seed.

User is responsible for ensuring that the seed bag meets all requirements under the Federal Seed Act.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Wear long-sleeved shirt, long pants, and chemical-resistant gloves when handling the treated seed.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. **DO NOT** induce vomiting unless told to do so by the poison control center or doctor. **DO NOT** give any liquid to the person. **DO NOT** give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center (888-347-6732) or doctor, or going for treatment.

ENVIRONMENTAL HAZARDS

Treated seeds exposed on soil surface may be hazardous to wildlife.

Cover or collect treated seeds spilled during loading and planting.

Dispose of all excess treated seed by burying seed away from bodies of water.

This pesticide is toxic to freshwater and estuarine/marine fish and aquatic invertebrates. Drift and runoff may be hazardous to aquatic organisms in neighboring areas. **DO NOT** contaminate water bodies when disposing of planting equipment wash water or rinsate.

Groundwater Advisory: The active ingredient, azoxystrobin, in this product can be persistent for several months or longer. Azoxystrobin has degradation products which have properties similar to chemicals which are known to leach through soil to groundwater under certain conditions as a result of agricultural use. Use of this chemical in areas where soils are permeable, particularly where the water table is shallow may result in groundwater contamination.

RESTRICTIONS

Treated seed must be planted into the soil at a depth greater than 1 inch.

SEED STORAGE & DISPOSAL

Store treated seed away from food and feedstuffs.

DO NOT store leftover treated seed where there is a chance of it becoming mixed with untreated seed.

DO NOT store treated seed in burlap bags or impervious bags/container or in areas that are poorly ventilated.

Dispose of seed packaging in accordance with local requirements.

Excess treated seed may be used for ethanol production only if: (1) By-products are not used for livestock feed, and (2) No measurable residues of pesticides remain in ethanol by-products that are used for agronomic practice.

DO NOT use empty seed bags for any other purpose.

FOR CHEMICAL SPILL, LEAK, FIRE, OR EXPOSURE
Call CHEMTREC (800) 424-9300.
